

## Ah Counter/Grammarian

---

### **Purpose**

The ah counter is present to help cure the annoying habit of "vocalized pauses," ah, uh, mmm, etc.

---

### **Time required for report**

The time required for your report is 30 sec - 1min.

---

### **During meeting**

- ! Pay attention to the names of all participants and write them down during members introduction to aid you in your report at the end of the evening
  
- ! Record the use of "ah" and other crutch words.
- ! Listen carefully; also, record the used of the word of the day
- ! When requested by the General Evaluator give a quick report.
