

## TOAST

(Maximum Time allowed - 1 minute)

*(Toasts may also be a Manual Speech -- "Special Occasions Manual, Project #1" and can be 2-3 minutes in length).*

When you are asked to propose a toast, you are expected to express a tribute.

The formula consists of four ingredients:

- First, make a reference to an occasion, a gathering, a deserving person
- Next, refer to the achievements of the recipient of the toast/or the purpose of the occasion
- Then, express for the entire group/or event your goodwill
- Lastly, propose the toast formally by leading members in raising their glasses to the one/or occasion named. Please use only 3-4 words for the actual Toast.
