So what's it gonna be

Boy, you got me inspired

Baby, come and get it

If you're really feeling me

Cause it's my night

No stress, no fights

I'm leaving it all behind

No tears, no time to cry

Just making the most of life

All the fellas keep lookin' at us cause

Me and my girls on the floor like, what

We Belong Together

by Mariah Carey

(Ooh, ooh, sweet love, yeah)

I didn't mean it
When I said I didn't love you, so
I should have held on tight
I never shoulda let you go
I didn't do nothing
I was stupid, I was foolish
I was lying to myself
I could not fathom that I would ever
Be without your love
Never imagined I'd be
Sitting here beside myself
Cause I didn't know you
Cause I didn't know me
But I thought I knew everything
I never felt

The feeling that I'm feeling
Now that I don't hear your voice
Or have your touch and kiss your lips
Cause I don't have a choice
Oh, what I wouldn't give
To have you lying by my side
Right here, cause baby
(We belong together)

[chorus]
When you left I lost a part of me
It's still so hard to believe
Come back baby, please
Cause we belong together

Who else am I gonna lean on
When times get rough
Who's gonna talk to me on the phone
Till the sun comes up
Who's gonna take your place
There ain't nobody else
Oh, baby baby, we belong together

I can't sleep at night
When you are on my mind
Bobby Womack's on the radio
Saying to me
'If you think you're lonely now'
Wait a minute
This is too deep (too deep)

I gotta change the station
So I turn the dial
Trying to catch a break
And then I hear Babyface
I only think of you
And it's breaking my heart
I'm trying to keep it together
But I'm falling apart

I'm feeling all out of my element
I'm throwing things, crying
Trying to figure out
Where the hell I went wrong
The pain reflected in this song
Ain't even half of what
I'm feeling inside
I need you
Need you back in my life, baby

[chorus]
When you left
I lost a part of me
It's still so hard to believe
Come back baby, please
We belong together

Who else am I gonna lean on
When times get rough
Who's gonna talk to me on the phone
Till the sun comes up
Who's gonna take your place
There ain't nobody else
Oh, baby baby, we belong together, baby

[chorus]
When you left
I lost a part of me
It's still so hard to believe
Come back baby, please
Cause we belong together

Who else am I gonna lean on
When times get rough
Who's gonna talk to me on the phone
Till the sun comes up
Who's gonna take your place
There ain't nobody else
We belong together

Shake It Off

by Mariah Carey

[chorus]

I gotta shake you off
Cause the loving ain't the same
And you keep on playing games
Like you know I'm here to stay
I gotta shake you off
Just like the Calgon commercial
I really gotta get up outta here
And go somewhere
I gotta shake you off
Gotta make that move
Find somebody who
Appreciates all the love I give
Boy I gotta shake you off
Gotta do what's best for me
Baby and that means I gotta
Shake you off

By the time you get this message
It's gonna be too late
So don't bother paging me
Cause I'll be on my way
See I grabbed all my diamonds and clothes
Just ask your momma she knows
You're gonna miss me baby
Hate to say I told you so
Well at first I didn't know
But now it's clear to me
You would cheat with all your freaks
And lie compulsively
So I packed up my Louis Vuitton
Jumped in your ride and took off
You'll never ever find a girl
Who loves you more than me

[chorus]

I gotta shake you off
Cause the loving ain't the same
And you keep on playing games
Like you know I'm here to stay
I gotta shake you off
Just like the Calgon commercial
I really gotta get up outta here
And go somewhere
I gotta shake you off
Gotta make that move
Find somebody who

Appreciates all the love I give
Boy I gotta shake you off
Gotta do what's best for me
Baby and that means I gotta
Shake you off

[bridge]

I gotta shake, shake, shake, shake, shake it
Off...

I found out about a gang
Of your dirty little deeds
With this one and that one
By the pool, on the beach, in the streets
Heard y'all was
Hold up my phone's breakin' up
I'ma hang up and call the machine right back
I gotta get this off of my mind
You wasn't worth my time
I've leaving you behind
Cause I need a real love in my life
Save this recording because
I'm never coming back home
Baby I'm gone
Don't cha know

[chorus]

I gotta shake you off
Cause the loving ain't the same
And you keep on playing games
Like you know I'm here to stay
I gotta shake you off
Just like the Calgon commercial
I really gotta get up outta here
And go somewhere
I gotta shake you off
Gotta make that move
Find somebody who
Appreciated all the love I give
Boy I gotta shake you off
Gotta do what's best for me
Baby and that means I gotta
Shake you off

Mine Again

by Mariah Carey

I remember when you used to be mine
Way back when
I was too na?ve to love you right
But now if I only had the opportunity
I would do anything
Because my heart still believes

[chorus]
Maybe you could be mine again
Maybe we could make that dream for real
Like way back then
When love was yours and mine
Maybe we could bring it back to life

It's irrelevant to dwell on the past
I'm accountable for what went bad
And I mean that
But I keep on praying for another chance
Just to have you back
Cause I've grown
And I know how to be your everything

[chorus]
Maybe you could be mine again
Maybe we could make that dream for real
Like way back then
When love was yours and mine
Maybe we could bring it back to life

No, no it ain't over yet
I just can't accept the possibility
We weren't made for each other's arms
I know you're my destiny
We can't erase what was meant to be
Part of you and part of me
If we try one more time
Maybe somehow we'll survive

Maybe you could be mine again
Maybe we could make that dream for real
Like way back then
When love was yours and mine
Boy maybe we could bring it back
Maybe we could bring it back
Maybe we could bring it back to...
Life
Maybe you could be mine

Say Somethin'

by Mariah Carey feat. Snoop Dogg

I'm over here
Looking at you
You're over there
Watching me too
Both painting pictures of
Of how we'll kiss and hug

So what we gonna do
(So what ya gonna do? What ya gonna do)
Tell me why we're standing here
The moment's passion's all so clear
You've got my mind blown
And baby, I'm ready to go

But uh
If it's worth your while
Say something, say something
If it's worth your while
Say something good to me
Hey, hey, hey
Hey, hey
If it's worth your while
Do something good to me

(Let's make it)
Hot as you can stand it
Something like volcanic
You know it seems organic
Just like the stars and planets
Yeah, we are
So what you gonna do
(So what ya gonna do? What ya gonna do)

Tell me why we're still in here
There's nothing for us to fear
I could tell with my eyes closed
Now baby, I'm ready to go

But uh
If it's worth your while
Say something, say something
If it's worth your while
Say something good to me
Hey, hey, hey
Hey, hey
If it's worth your while
Do something good to me

If it's worth your while
Say something, say something
If it's worth your while
Say something good to me, baby
Hey, hey, hey
Hey, hey
If it's worth your while
Do something good to me

[Snoop Dogg]
Everytime I fall though
Want me to speak on the word or two
It's the D-O-double-G
And I do it so lovingly
Diggin' this track by the Neptunes
Babygirl, follow me to the west room
Now get buck wild
Shhh, don't make a sound
I'll take you, lay you down
Make your body go round and round
Do you want me to
Don't say you won't
I know you do
Most girls play shy
It won't hurt until you give it a try
I know you like my smile
Dig my style, dig the bow-wow

But uh
If it's worth your while
Say something, say something
If it's worth your while
Say something good to me
Hey, hey, hey
Hey, hey
If it's worth your while
Do something good to me

If it's worth your while
Say something, say something
If it's worth your while
Say something good to me
Hey, hey, hey
Hey, hey
If it's worth your while
Do something good to me

Stay the Night

by Mariah Carey

You're kissing me
And saying I'm the one you need
To keep you warm
And lay with you tonight
Baby I feel the same way
I don't want to leave
Wanna hold you close
And feel your love inside
But I don't wanna play myself
Cause I know you're with someone else
And I don't need complications in my life
And I don't wanna fall back in
And get caught up in you again
Boy I'm so conflicted in my mind

[chorus]

You keep saying stay the night
Just let me rock you till the morning light
It's cold outside
And much too late to drive
You know I need you baby
I'm so lost without your love

Obviously, procrastinating just to be
Close to you a little longer now
It's hard for me to break away from you baby
Never could resist you
And I still haven't learned how
And I don't wanna be a fool
But it's hard when it comes to you
And I'm feeling vulnerable tonight
Cause I don't wanna miss the chance
Of reliving our sweet romance
Boy I'm so confused down deep inside

[chorus]

You keep saying stay the night
Just let me rock you til the morning light
It's cold outside
And much too late to drive
You know I need you baby
I'm so lost without your love

Get Your Number

by Mariah Carey

[chorus]

Oh damn

The club 'bout to close in a minute

Can I get your number baby

So you and I can go get in it

Let me come and pick you up

And go take you out

Can I get your number baby

So I can show you what I'm all about

What I'm all about

Damn

I've been checkin' you out

And I noticed that you ain't just one of the crowd

So tell me won't you

Come on and see about me baby

I've got the Crys on ice and I'm 'bout to get nice

Up in VIP with all my ladies

Tell me how many times in your life

Will you get an opportunity like this tonight

Tell me a little somethin' about you

Here's a little somethin' about me

I got a house in Capri and my own G4

And that Benz with the doors that life up from the floor

[chorus]

Oh damn

The club 'bout to close in a minute

Can I get your number baby

So you and I can go get in it

Let me come and pick you up

And go take you out

Can I get your number baby

So I can show you what I'm all about

What I'm all about

Damn

Now that you're sitting next to me

I bet you're wondering

What my intentions are for you

And I to get into

Baby I just wanna

Hug and kiss and love ya

Look into my eyes baby don't be shy

Is it yes or no

We ain't got all night

Tell me how many times in your life

Will you get an opportunity like this tonight

Tell me a little somethin' about you

Here's a little somethin' about me

I gotta PIP penthouse with a sick hot tub

We can watch the flat screen

While the bubbles fill it up

[chorus]

Oh damn

The club 'bout to close in a minute

Can I get your number baby

So you and I can go get in it

Let me come and pick you up

And go take you out

Can I get your number baby

So I can show you what I'm all about

What I'm all about

Damn

One and Only

by Mariah Carey

I'm lookin' for my one and only
Every time I turn around
I find my heart in pieces on the ground
So so lonely
I'm lookin' for my one and only

I'm riding home in pain again baby
But that don't mean s*** to you
You're currently engaged
In an intimate conversation
With a young groupie or two
They say "players only love you
when they're playing games"
Still I gave my heart to you
I should have stayed away
Like my friends all told me to

[chorus]

Every time I turn around
I find my heart in pieces on the ground
So so lonely
I'm lookin' for my one and only
Every time I turn around
I find my heart in pieces on the ground
Why can't I find my one and only

See I'm looking for a man that'll rub me slow
Make me sing real high
When he goes down low
But see it ain't just a physical thing
He's gotta treat me affectionately
And I gotta know he won't betray my trust
Just like every other motherf***** does
Is this just an impossible dream baby
To elusive to pursue
It's been such a sad and windy road for me
Just searchin' for the truth

[chorus]

Every time I turn around
I find my heart in pieces on the ground
So so lonely
I'm lookin' for my one and only
Every time I turn around
I find my heart in pieces on the ground
Why can't I find my one and only

Every time----oh-mmm

Every time I turn around
I find my heart in pieces on the ground
So so loney
Why---
I'm looking for my one and only
Every time I turn around
Agh---ha ha ha ha
I find my heart in pieces on the ground
Why can't I find my one and only
Still lookin' for my one and only
Every time I turn around
Agh---ha ha ha ha
I find my heart in pieces on the ground
So so lonely
Yay-
I'm lookin' for my one and only
I'm lookin' for my one and only
Every time I turn around
Agh-ha ha ha ha
I find my heart in pieces on the ground
I'm lookin' for my one and only
Why can't I find my one and only
Agh--

Circles

by Mariah Carey

Ever since you left me
I've been trying to hide the pain
Painting on a smile with lipstick
Putting on a big charade
So difficult to keep pretending
It's getting harder everyday
It's plain to see I'm cold and heartsick
Since you turned and walked away
I just keep going round and round
And round in circles
Keep on tumbling down

[chorus]

Oh boy my world has changed
And I don't think I can make it without out
Nothing's the same
You got me running around in circles over you
(running around in circles over you)

Saturday I saw you
Holding hands with someone new
Somehow I kept my composure
Just like everything was cool
But inside I kept repeating
Don't you let them see you cry
So I casually turned my head
As the tears rolled down my eyes
I just keep going round and round
And round in circles
Keep on tumbling down

[chorus]

Oh boy my world has changed
And I don't think I can make it without you
Nothing's the same
You got me running around in circles over you

Everything is you
How can I pull through
My heart is consumed I'm so confused
Still caught up in you...love can be so cruel
Baby don't know how to turn you loose

[chorus]

Oh boy my world has changed
And I don't think I can make it without you
No, nothing's the same
You got me running around

And running around
And running around
Nothing's the same
Baby baby cause you
Got me running around
In circles over you
(running around in circles over you)

Your Girl

by Mariah Carey

See, I used to be so shy
Sit at home and fantasize
(I should be your girl)
but I ain't wastin' no more time
cause I've got to make you mine

[chorus]

I'm gonna make you want to
Get with me tonight
I'm gonna put those naughty
Thoughts into your mind
I'm gonna show you clearly
I can rock your world
You're gonna know for sure
That I should be your girl

See I used to be afraid
But now baby I can't wait
I just gotta have your love
And enough's enough's enough

[chorus]

I'm gonna make you want to
Get with me tonight
I'm gonna put those naughty
Thoughts into your mind
I'm gonna show you clearly
I can rock your world
You're gonna know for sure
That I should be your girl

I Wish You Knew

by Mariah Carey

I've got to see you
Wherever you are
And I've got to be there
I'm wishing on stars
I've got to reveal what's inside of my heart
But the words escape me
And I'm paralyzed
So helpless when I
Look into your eyes

[chorus]

And how I wish you only knew
What I feel inside for you
You probably haven't got a clue
But I wish you knew
How I love you baby

Honestly I know it's silly of me
To want you so badly
But keep it concealed
See my inferiority complex kicks in
And the words escape me
And I'm paralyzed
So helpless when I
Look into your eyes

[chorus]

And how I wish you only knew
What I feel inside for you
You probably haven't got a clue
But I wish you knew
How I love you baby

Joy Ride

with ya babe, with you baby)

by Mariah Carey

Baby baby don't you ever let go
More and more until we both overflow
Got a feeling that my heart's never known
I found love
Tender kisses and I'm floating on air
You can have me anytime, anywhere
When you need me I will always be there
I found love

[chorus]

And our love goes round and round
Way up high, a joy ride
We can touch the stars above
We found love
And our love was heaven sent
From the day we first met
We've got something they can't touch
We found love

Loving you is like a taste of heaven
Wanna gaze into your eyes forever
Run away and spend our lives together
I've found love
Baby baby
All it takes is one touch
And immediately I feel a rush
Baby boy, too much is never enough
I found love

[chorus]

And our love goes round and round
Way up high, a joy ride
We can touch the stars above
We found love
And our love was heaven sent
From the day we first met
We've got something they can't touch
We found love

I don't need anything
When you're here next to me
Nobody in this whole wide world
Could ever replace you in my eyes
We found paradise
Forever you and I
Our love goes round and round
On a joy ride
(with ya babe, with ya babe,

Fly Like a Bird

by Mariah Carey

Somehow I know that
There's a place up above
With no more hurt and struggling
Free of all atrocities and suffering
Because I feel the unconditional love
From one who cares enough for me
To erase all my burdens
And let me be free to

[chorus]
Fly like a bird
Take to the sky
I need you now Lord
Carry me high
Don't let the world break me tonight
I need the strength of you by my side
Sometimes this life can be so cold
I pray you'll come and carry me home

Can we recover
Will the world ever be
A place of peace and harmony
With no war and with no brutality
If we loved each other
We would find victory
But in this harsh reality
Sometimes I'm so despondant
That I feel the need to

[chorus]
Fly like a bird
Take to the sky
I need You now Lord
Carry me high
Don't let the world break me tonight
I need the strength of You by my side
Sometimes this life can be so cold
I pray You'll come and carry me home

Keep your head to the sky
With God's love you'll survive

Fly like a bird
Take to the sky
I need you now Lord
Carry me high
Don't let the world break me tonight
I need the strength of You by my side

Sometimes this life can be so cold
I pray You'll come and carry me home
Carry me higher, higher, higher
Carry me higher, higher, higher
Carry me home
Higher Jesus
Carry me higher Lord
