Dear Parent,

Membership Records

The Scout Movement in the United Kingdom is a membership organisation. To enable it to operate - and to communicate with its members - it is necessary to maintain records about them.

This will include keeping details of name; address; date of birth, contact telephone numbers. We will also be keeping details of your son's/daughter's progress through Scouting (badges gained etc). Information held in our Scout Group may be shared from time to time within Scouting including the Headquarters of the Association.

We retain names and contact data of ex-members so that we can contact them in the future about reunions or other items that may be of interest. If you do not want us to keep such data, please let us know.

New legislation came into force in March 2000 which covers the protection and processing of personal data. Adults and young people have the same rights under the Data Protection Act 1998. The Act covers paper based (as well as computer based) information.

Certain information is classed by the law as 'Sensitive Personal Data' In a Scouting context this may include information about your son's/daughter's:-

- health. (to ensure that we are prepared for medical emergencies it is important that we hold relevant information.)
- disabilities (to ensure a safe integration of your son's/daughter's participation in activities, details of any disability need to be known.)
- religious or similar beliefs (this will help us ensure that we make appropriate arrangements when necessary.)
- racial or ethnic origin (again this will help us ensure that we are sensitive to cultural needs of our members).

To hold this 'Sensitive Personal Data' we will need your explicit consent. This can be given by completing the enclosed form

All the information will only be used in connection with your son's/daughter's membership of the Scout Movement in the United Kingdom - this will include membership management and communications.

Any of the information provided will not be passed to any third parties outside the Scout Movement without your consent. You can give your consent by completing the question on the form.

If you have any questions please do not hesitate to contact me.

Yours sincerely
