Reunion Planning Fund Contribution The Committee (4 of us)'s focus has been a reunion that you find worthwhile, memorable and appropriate. Often we take many extra steps in efforts to save money. None of us are compensated for our time (~ 5 hours/week x 70 wks) nor our expenses (travel, phone, ink, etc..). We count on the generous donations of classmates by those able to do so, to help keep reunion costs down and also provide general services and amenities without passing those costs onto classmates. Donations to the Reunion Planning Fund are welcome anytime of any year – as there's always a reunion on the horizon.	\$19.86 \$25.86 \$50.86 other amounts welcome	<i>This is option and only here as some people have asked.</i> What is most important is YOUR ATTENDANCE - see you in August! <div style="border: 2px solid red; width: 100px; height: 30px; text-align: center; margin: 0 auto;">4</div>
