### Nominating committee

Dick Jones heads up the nominating committee but so far has been unable to present a full slate of potential officers so this will be done at the next meeting in January. Anyone interested in serving on a no fuss, no muss, fun board please let it be known. We do have good times as well as good Thai food before the meetings. Step in and give it a try—you might like it! On second thought perhaps we should forget the whole thing and just carve and enjoy the holidays!
