

Silent Auction Scheduled for 2009 Awards Banquet

Once again, the MeApHC is hosting a Silent Auction at the 2009 Awards Banquet. These have proven to be great money makers for us during the past years and we're hoping that the event this year will provide us with some "spending money" to cover the Newsletter expenses during the past few months.

We're hoping that members will seek donations [from friends, relatives, area businesses or even themselves!] and bring them to the Banquet for the auction that will be held prior to & during the evening meal. Items will be delivered to the highest bidders after the awards presentation.

Coordinator for this year's event is Angela Bates-Cole with the help of Kent Gray. You can contact Angela & Kent for further information at 207-479-6409 (or kgrayapps@yahoo.com). If we have prior notification of items being donated to the auction, we can list them in the November issue of the Newsletter.
