DONKEY PUNCH

When anal sex is happening doggy style. The person in the back (aka the “pitcher”) , upon getting close to orgasm, loudly bellows out “Hee-Haw” in the manner of a donkey, and punches the receiver in the back of the head, hard enough to cause them to pass out. This causes all muscles to involuntarily clench up, making it nice and tight for the puncher.

FROTHY WALRUS

When a man is getting a blowjob. At the point of orgasm (assuming that the performer swallows) the blowee punches the blower in the stomach, causing the semen to shoot out their nose. If punching is too violent (but who are you kidding after you just did a donkey punch?) tell a very funny joke.

RODEO

Have your friends hide in the closets in a room. While they are hidden, bring your partner in, and begin having sex doggy style. Hold on to your partners shoulders, and yell

“RODEO!!” At this point, your friends will all jump out of the closets, and your job is to prevent your lay from squirming away.

CHILI DOG

After removing penis from a particularly excrement filled anus, rub it between a pair of tits.

THE PHANTOM

Doggy style again. Before ejaculating, pull out and spit on partners back in a manner which would convince them that ejaculation occurred. When they turn around to face you, bust a nut on their face.
