

Columbus State's First Annual Manufacturing Summit and Golf Outing

May 3, 2005

Tee off the spring with staff from Columbus State's Business and Industry Training Services, expert presenters and consultants, and 60 of your peers!

- ✦ Network with fellow leaders of Central Ohio's manufacturing community
- ✦ Learn what's happening in Ohio manufacturing straight from the Ohio Manufacturers' Association
- ✦ Enjoy an afternoon of golf at one of Columbus' most historic and picturesque courses
- ✦ Find out how other manufacturers have improved productivity and overcome challenges to their success by implementing targeted employee training
- ✦ Take home a complimentary digital photo souvenir of the day
- ✦ Develop tomorrow's skilled manufacturing workforce by supporting Columbus State's Engineering Technology scholarship fund

Space is limited to 60 participants—register by April 19 to reserve your spot!
