Request for Administrative Action

BOE Member            John Chaing  
Assemblymember      Dario Fromer

Sir

I feel it is unfair and wrong for Officer Holders to announce and file a Notice of Intent, launch fund raising committees and then transfer this money to a new campaign committee.

Mr. Chaing and Mr. Fromer are using this process.

## **Desired Administrative Action**

The Fair Political Practices Commission should require Mr. Chaing and Mr. Fromer to return all Office Holder funds and State Treasurer Campaign funds collected, and not allow the funds transfer to their State Controller Committees.

Thank You

Mervin Evans
