Dear Barrister Wad:

In regards to your inquiry regarding the certification of the person alleging to be a barrister named Ugwueke Ekene who is an associate of Ecobank Nigeria, you are correct in your assessment of this person as a fraud.

We have inspected the "Call to the Bar" certificate and the passport scan that you forwarded to us, and we do not hesitate in declaring them to be very low quality forgeries. We also studied the photograph that you sent and recognize the person as an uneducated criminal who is wanted by the Economics and Financial Crimes Commission on several counts of fraud connected to unsuccessful attempts to defraud honest people such as your client.

Sir, you should warn your client about the high amount of criminal fraud originating from Nigeria, and tell her that anything that seems too good to be true.... is! These filthy criminals have ruined the reputation of my Motherland, and held Nigeria up to ridicule to the rest of the world. I sincerely pray that when this criminal is finally arrested, that he will receive a prison sentence which will haunt the dreams of his fellow gangsters.

Do not hesitate to contact me again if you have any further questions.

Sincerely,

Mr. Patrick Akinwuntan, Executive Director
