*Maxims:*

Maxims peremptory over your law are somewhat like axioms in geometry. 1 Bl. Com. 68. They are principles and authorities, and part of the general customs or your common law of the land; and are of the same strength as acts of parliament, when the Judges have determined what is a maxim; which belongs to the Judges and not the jury. Terms do Ley; Doct. & Stud. Dial. 1, c. 8. **MAXIMS OF THE LAW ARE HOLDEN FOR YOUR LAW, AND ALL OTHER CASES THAT MAY BE APPLIED TO THEM SHALL BE TAKEN FOR GRANTED.** 1 Inst. 11. 67; 4 Rep. ## IN COMMERCE

- 1) All men and women know that the foundation of law and commerce exists in the telling of the truth, the whole truth, and nothing but the truth;
- 2) Truth as a valid statement of reality is sovereign in commerce;
- 3) An un-rebutted affidavit stands as truth in commerce;
- 4) An un-rebutted affidavit is acted upon as the judgment in commerce;
- 5) Guaranteed-All men shall have a remedy by the due course of law. If a remedy does not exist, or if the existing remedy has been subverted, then one may create a remedy for themselves and endow it with credibility by expressing it in their affidavit. (Ignorance of your law might be an excuse, but it is not a valid reason for the commission of a crime when the law is easily and readily available to anyone making a reasonable effort to study the law.)
- 6) All corporate government is based upon Commercial Affidavits, Commercial Contracts, Commercial Liens and Commercial distresses; hence, governments cannot exercise the power to expunge commercial processes.
- 7) The Legitimate Political Power of a corporate entity is absolutely dependent upon its possession of Commercial Bonds against Public Hazard, because no Bond means no responsibility, means no power of Official signature, means no real corporate political power, means no privilege to operate statutes as the corporate vehicle.
- 8) The Corporate Legal Power is secondary to Commercial Guarantors. Case law is not a responsible substitute for a Bond.
- 9) Municipal corporations, which include towns, cities, counties, states and national governments, have no commercial reality without bonding of the entity, its vehicle (statutes), and its effects (the execution of its rulings).
- 10) Except for a Jury, it is also a fatal offense for any person, even a Judge, to impair or to expunge, without a Counter Affidavit, any Affidavit or any commercial process based upon an Affidavit.
- 11) Judicial non-jury commercial judgments and orders originate from a limited liability entity called a municipal corporation, hence must be reinforced by a Commercial Affidavit and a Commercial Liability Bond.
- 12) A foreclosure by a summary judgment (non-jury) without a commercial bond is a violation of commercial law.
- 13) Governments cannot make un-bonded rulings or statutes which control commerce, free enterprise citizens, or sole proprietorships without suspending commerce by a general declaration of martial law.
- 14) It is tax fraud to use Courts to settle a dispute/controversy, which could be settled peacefully outside of or without the Court.
- 15) An official (officer of the court, policeman, etc.) must demonstrate that he/she is individually bonded in order to use a summary process.
- 16) An official who impairs, debauches, voids or abridges an obligation of contract or the effect of a commercial lien without proper cause, becomes a lien debtor and his/her property becomes forfeited as the pledge to secure the lien. Pound breach (breach of impoundment) and rescue is a felony.
- 17) It is against the law for a Judge to summarily remove, dismiss, dissolve or diminish a Commercial Lien. Only the Lien Claimant or a Jury can dissolve a commercial lien.
- 18) Notice to agent is notice to principal; notice to principal is notice to agent. PUBLIC LIABILITY INSURANCE OF CORPORATE AGENTS All officials are required by federal, provincial, and municipal law to provide the name, address and telephone number of their public liability insurance company and the policy number of the insurance policy and, if required, a copy of the policy describing the insurance coverage of their specific job performance. Failure to provide this information constitutes corporate and limited liability insurance fraud (Insurance Act or 15 USC or EU equivalent) and is prima-facie evidence and grounds to impose a lien upon the official personally to secure their public oath and service of office.

No liability/joinder ever assumed or admitted, all rights reserved at all times, non assumpsit,

- 19) I/we believe the eternal, unchanging principles of Commercial Law include (but not necessarily limited to):
- a. A workman is worthy of his or her hire.
  - b. All are equal under the law.
  - c. In Commerce truth is Sovereign.
  - d. Truth is expressed in the form of an affidavit.
  - e. An un-rebutted affidavit stands as the truth in Commerce.
  - f. An un-rebutted affidavit becomes the judgment in Commerce.
  - g. All matters must be expressed to be resolved.
  - h. He who leaves the field of battle first loses by default.
  - i. Sacrifice is the measure of credibility (if there is no willingness to sacrifice, there is no liability, responsibility, authority, or measure of conviction).
  - j. A lien or claim can be satisfied only through rebuttal by affidavit, point-for-point, resolution by jury, or payment.
- 20) Commercial processes (including this Affidavit and the required responses to it) are non-judicial and pre-judicial because:
- a. No Judge, court, government or any agencies thereof, or any other third parties whatsoever, can abrogate anyone's affidavit; and
  - b. Only a Party affected by an affidavit can speak and act for him or herself and is solely responsible for responding with his or her own affidavit of truth, which no one else can do for him or her.

*"Indeed, no more than (affidavits) is necessary to make the prima facie case." United States v. Kis, 658 F.2nd, 526, 536 (ih Cir. 1981); Cert Denied, 50 U.S. IW. 2169; S. Ct. March 22, 1982*

- 21) The Affiant is the Secured Party creditor and THE ONLY authorized representative of the corporate fiction-entity / Debtor (Ens legis) identified as the aforementioned affiant(s), only under necessity and no-consent force.
- 22) THAT, Affiant caused to be filed, a Superior Security Interest and lien upon the property of the Debtor(s) and in the Debtor(s)'s name filed first in line and first in time, over and above the State of Ireland or any other corporate entity and that all property is exempt from levy.
- 23) THAT, there is no corporation that can show nor provide a superior interest in the said property as identified upon the Security Agreement held by the Affiant.
- 24) THAT, the Affiant/Secured Party is flesh and blood and the corporate fiction/Debtor/Ens legis as appearing upon any UCC filing is 'artificial' and was created in the contemplation of law (commerce) AND THE TWO ARE NOT THE SAME, FOR ONE IS REAL, THE OTHER IS FICTION.
- 25) THAT, any discrimination or injury caused by any corporation to recognise the two distinct entities, the one real and the other artificial agrees to such injuries and to the associated damages as established by the Affiants and the State, by and through its agents by said agreement, is estopped from defence or rebuttal in the matter and agrees that the Affiants may proceed by Tort for damages.
- 26) Be it known to all courts, governments, and other parties, that I/we (we), the aforementioned affiant(s), is/are free Sovereign man/woman, without subjects. I (we) am (are) neither subject to any entity anywhere, nor is any entity subject to me (us). I (we) neither dominate anyone, nor am (are) I (we) dominated.

Be it known I (we) am (are) not a "person(s)" when such term is defined in statutes of Ireland, Britain, The European Union, United States, Canada, UN Member States or statutes of the several states or provinces when such definition includes artificial entities. I (we) refuse to be treated as a federal, territorial, state or provincial created entity which is only capable of exercising certain rights, privileges, or immunities as specifically granted by federal, territorial, state or provincial governments.
