

Mihai-Buleu-Hoza

5th Brates str. Apt 4, Cluj-Napoca, Romania 400566 / Tel# +4074 - 0070743 Email: mihaibuleuhoza@yahoo.com

OBJECTIVE

To get a job as a product designer or 3D artist

EXPERIENCE SUMMARY

One years experience in industrial design, working directly with clients to produce award-winning products. Created and produced presentations of high-quality graphics, managing project from initial conceptualization to final 3D visualization. Designed and created interior designs for numerous companies, posters, and brochures always within time and budget constraints. Earned Bachelor of Industrial Design degree and received an award for an automotive contest project.

HIGHLIGHTS

- **Artistic ability** – demonstrated ability to produce creative designs and artwork.
- **Client relations** – maintained customer-focus throughout development to ensure final product met and exceeded client expectations.
- **Project management** – worked with client to develop product specifications, develop budget, and establish completion date. Implemented high-quality artwork and graphic designs that met specifications, budget, and timeline requirements.
- **Innovative approach** – assessed industry trends, market needs, and technological improvements to invent new products or methods to create stimulating art.
- **Technical expertise** – skilled with Adobe Photoshop, Corel draw, 3D Studio Max, VRay and MentalRay rendering engines, Solid Works, Catia and AutoCad for 3D modeling and technical drawings.

EXPERIENCE

FREELANCING - HABITAT DESIGN

Present

Interior Designer

Created and produced a interior designs of presentation.
