

The new standard in
color printing.

The new OKI C5000, C7000 and C9000 Series —with innovative OKI Single Pass Color™ Digital technology—are printing solutions you shouldn't be without. These rugged, reliable color printers are designed to perform in the most demanding environments—the Pentagon, an oil rig at sea, or your office, school, retail operation, graphic arts studio or real estate agency. Whatever the application, OKI has a color printer designed specifically for your unique needs.

OKI Digital Color printers deliver high-speed, high-resolution, high-quality output. Use them to create high-impact color reports, presentations, mailers, banners and more. OKI color printers are also among the most cost-efficient in the industry: they can help to substantially lower your operating costs.

Trust OKI for proven
customer satisfaction.

OKI is an innovator in customer support, pioneering the still-unsurpassed 5-year limited printhead warranty, as well as 24-hour/7-day live technical support¹ and other cutting-edge programs designed to ensure full customer satisfaction.

From product concept to customer support, all OKI Digital Color printers deliver on our proven commitment to innovative thinking and productivity-enhancing performance.

OKI Digital Color Printers.
Designed to perform in the most demanding environments.

¹ Available in the U.S. and Canada only.

OKI® Color Printing Solutions...
designed to perform

OKI understands the dynamic challenges that face today's business. We deliver products, services, and color printing solutions that grow and adapt to meet the changing needs of a wide range of organizations. OKI offers reliable and durable printing solutions that are proven to perform in the following industries:

- | | |
|-------------------------|-----------------------|
| General Business | Government |
| Retail | Education |
| Real Estate | General |
| Graphic Arts | Packaged Goods |

The new line-up of OKI Digital Color printers provides enhanced performance for maximum productivity through features that include:

- Print speeds up to 30 ppm color and 37 ppm mono¹
- Time to first page as fast as 11.5 seconds in color and 10 seconds mono
- Low Total Cost of Ownership: up to 35% less than the leading competition²
- Consistent high quality color output—Digital LED technology with resolution up to true 1200 x 1200 dpi
- Innovative Single Pass Color™ Digital technology
- Professional color management software
- Job accounting software solutions
- Up to 320 MB RAM standard (upgradable to 1,024 MB with options)
- Up to 600 MHz processor

¹ Letter-size sheets on OKI C9300/C9500 Series. Published performance results based on laboratory testing. Individual results may vary.

² Total Cost of Ownership (TCO) claim based on 2,000 pages per month (100 pages per day).
