Cubmaster's Minute

This is the final Communicator for the 2006-7 program year. I would like to thank all the volunteers and parents who have helped make this a great year! The year has flown by! It seems like it was only a few months ago that we were planning this year's program in Central Park. We're going to end the year with some really fun outdoor oriented activities for the boys which are described below.

Fishing Derby – Sunday May 20th at 3:00pm

Our May Pack Meeting is a Fishing Derby at Kensington Metropark. The event starts at 3:00pm at Shelter "T" on Sunday May 20th. Please see the agenda in the column to the left. This year, we will be giving the boys (and parents) some good basic instruction from Tom Alderson and Dave Elland on how to fish and what you need to know about fishing equipment. We will go fishing for a few hours in the Metropark, eat hot dogs and give out prizes and achievements. Look forward to seeing you there!

Memorial Day Parade – Monday May 28 at 10:00am

Pack 52 will honor our veterans by marching in the Milford Memorial Day parade on Monday May 28th at 10:00am. Meet in the Milford American Legion Parking lot. The boys should be in their full uniforms and look their best for the parade. A boy from each den should carry the flag of their den. Adult leaders in uniform should plan on marching with the boys .

Spring Campout - Theme "Cub Scout vs Wild" – Friday through Sunday June 8-10

Our annual Spring campout is Friday-Sunday June 8-10 rain or shine. Please see the included Fliers for specific information about the campout. We are holding planning meetings for the campout on Tuesdays at 7:00pm at Leos Coney Island in Milford. Please join us if you can help out. We would like to get the completed sign-up forms back by the Fishing Derby on May 20th.

Summer Day Camp

Cub Scout summer day camp will be June 25-27 at Proud Lake Rec. Area and the cost is \$75. Do achievements, crafts, bbgun and archery. For those who are interested, you can register online at:

Pack Program Planning Meeting in July

Later in July, we will hold a planning meeting to develop the program for the 2007-8 school year. Please plan on bringing your good ideas and thoughts on how we can improve the program. Also, we would be interested to know if you would like to help out in a leadership capacity. We will send out a note with specific time and date for this meeting .
