May 21, 2008

As an update to our March letter, plans for the reunion are continuing. We have received dues from 28 families and reservations have been made for 19 rooms. Allison has brought the old web site up-to-date: www.mincefamilyreunion.com, and will have a list of those attending so far, addresses, etc. I have talked with some of you who are coming but have not made reservations and I urge you to do so. Blocked rooms are held until June 19th only. After that, we will not have the \$85.00 rate or a guarantee of availability. Be sure to reference “Mince Family Reunion” when making reservations.

Activity schedules are as follows:

Monday noon – Picnic
Tuesday 8:00 a.m. – Golf Tournament
Wednesday 6:00 p.m. – Banquet

There are many other activities available. We would like to schedule some horseback riding, water activities (canoe or kayak races), fishing, etc. Boats including party barges, fishing boats, 22' ski boats, personal watercraft, canoes, etc. are available for rent. Please let me know if you are interested.

We'd like to know how many children are attending, as well as their ages. Then we can plan some activities for them so that they can get acquainted with their cousins. Remember how much fun it was when we were children at reunions.

TRY TO ATTEND AND MAKE THIS A GREAT FAMILY GET TOGETHER. DeGray is a beautifully updated island resort. It has a pool, huge hot tub, exercise room, video game room, paved and lighted walking trails and enough deer walking around to keep everyone happy. Although the county in which DeGray is located is dry (no alcohol), surrounding counties are not and we plan to stock up in Hot Springs on my way in. Please do so as well. It is not illegal to bring alcohol into the park. We have a large room, with bar area, exclusively for our use throughout the reunion.

Future correspondence will be by email. Please let me know if you don't have email and I'll arrange either a telephone call or letter. The web site is up-to-date, so log on anytime. HOPING TO HEAR FROM YOU SOON AND SEEING YOU IN JULY AT DEGRAY!

Let's give thanks to Allison for all her hard work!
