My sister, Diane, and I visited the location in April 2007 and were really impressed with the facilities. They include a newly remodeled lodge and restaurant, golf course, lake, horseback riding, pool, exercise room, game room, playground, pool/hot tub, and various kinds of boat rental. We'll have a room to ourselves for group visiting day and night. The grounds are well lighted and paved for easy walking and wheelchair access. The rooms include a coffee pot and refrigerator, but no microwave. Our rate is \$85.00 per night. They have RV facilities and Rent-A-Yurts which sleep up to 6 people at \$45.00 a day. Camp sites include electricity. Let me know if you need more information about any of these.

Bismark, Arkansas is a 1 hour drive from Little Rock airport, just south of Hot Springs and the Hamilton Lake area.

I'll be sending addition information during the next several months. In the meantime, please forward your dues of \$30.00 to:
