

SMARTeen™ Camp

5th to 7th Sep 2009

SMART Teens, SMART Success

Therapy-Coaching

SMARTeen® Camp uses the synergistic combination of the advanced accelerated learning methods, whole brain teaching, experiential learning and the highly effective Solution-Focused approach and technique to help students cope in school & in life.

SMARTeen® Camp

- Each student is treated as the expert with unlimited potential.
- Incorporates the advanced teaching concepts of world-renowned experts including TONY BUZAN, JACK CANFIELD, etc.
- Highly interactive, high-energy programme that is filled with excitement and challenges. Teens are put through a stimulating environment for personal excellence and growth. Students will learn more in SMARTeen® Camp than in the rest of the year.
- The best part of it all ... IT'S FUN!

Who should attend?

- Primary 4 – Primary 6 students who is willing and committed to enhance their self-confidence and motivation.

Criteria: Only student with at least 1 parent/guardian who can attend the 3rd day evening parent-child session would be accepted.
