About me

Creative. Fun. Full of laughter. That's me! From a young age, I have always been in love with art and showing my creative side. I'm hardworking, dedicated and a team player. Besides art being one of my passions, I also enjoy being outdoors, hiking through the woods, birding, learning new recipes, traveling to new places, photography, and creating new memories with my husband, Aaron.

Menu

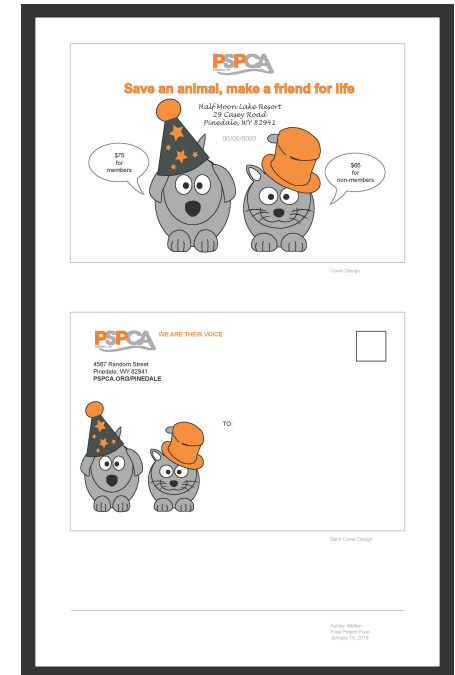

Town Chinese Restaurant
Carlisle, Pennsylvania

A sophisticated design based upon Town Chinese Restaurant's color palette and brand. This branding suite includes a table tent, menu and brochure mailer.
