

# The Weekly Buzz

Ms. Dillard's Class  
August 29, 2008

Wow! This week has been extremely busy. We have worked hard to learn all of our classroom routines (there are so many)! We are also working hard to be star students by remembering to sit on the carpet "criss-cross applesauce", walking quietly in the hall, walking in a line, and by raising our hand when it is our turn to speak (so much to learn)! This week has been a transition for all our students - that is why being a good friend is especially important. We are concentrating on using our words and not our hands, sharing, and taking turns. So much to learn and do - I'm sure your little ones are coming home excited and tired too! I hope that your families have a great long weekend and I look forward to seeing the grown-ups at Back to School Night!
