DATE:

October 23, 1945

TO : U -- Mr. Acheson

FROM : FE -- Mr. Vincent

SUBJECT: Letter to Mr. Dewey

*Letter. It will come a major influence - [unclear] [unclear]*

In sending this down for your signature I want to say that I have some doubt that it would be well received by Mr. Dewey. It is of course the normal thing to do and my doubts are based only on a telephone conversation I had with Mr. Dewey several weeks ago. You will note that the message, which formed the basis of the letter to Mr. Dewey, is actually addressed to the President and not to Mr. Dewey.
