

Go “Hog Wild” for Your Patrons!

Celebrate Special Events, Grand Openings, Bowl Games, Golf Outings or just because you want to show your appreciation!!!!!!

Let the **Moline High School (MHS) Class of '59 Scholarship Fund** committee cook a hog for the event. We don't sell a thing. You buy the hog and what is required to cook it and we do the work. References available.

When all is done, you make a pre-determined donation to the **MHS Project 2009 Scholarship Fund**. (*It's tax deductible*).

Purpose: The MHS Class of '59 has established a self-perpetuating scholarship fund for deserving students to pursue a college career or other credible training.

The goal is to present MHS a check for **\$50,000.00 PLUS** in 2009, which will be the fiftieth class anniversary and the fiftieth anniversary of the MHS building.
