

Why consign with The MOMS Club of Garnet Valley?

Your “trash” is someone else’s treasure! In today’s economy more than ever, people are looking for bargains. The MOMS Club of Garnet Valley offers you a **generous 70%** - more than a traditional consignment shop will give you and more than you’d get from holding your own garage sale (and who has the time for that?). Furthermore, ***all proceeds benefit The MOMS Club of Garnet Valley and our philanthropic support of women and children’s charities.***

How do I start?

First, you must REGISTER and receive your consignor ID number. The registration form is available on our website. There is a \$5.00 consignor registration fee which is payable by check. Registrations must also include a ***self-addressed, double stamped business sized envelope or an additional \$2.00 fee will be charged.*** The envelope will speed up the process of distributing consignor checks. You will receive a unique consignor ID number via e-mail. If you do not hear from us within 1 week of mailing the form or if you are registering less than 2 weeks in advance of the sale, please contact us at momsclubofgarnetvalley@yahoo.com or 610-804-2068.

What can I sell?

Our customers are looking for gently used, excellent, wearable condition clothing and shoes for children, gear, decor, and maternity clothing. We will accept **ALL SEASONS CLOTHING AND SHOES!** Since this is a sale planned for once a year, it is not necessary for us to limit clothing to the current season.

We will not accept stained, torn, extremely worn, outdated/out-of-style, items that smell of smoke/mothballs/etc. or otherwise damaged clothing.

Baby equipment such as carseats, strollers, highchairs, exersaucers, etc. will be accepted only if in excellent and clean condition, up-to-date styles and brands, and have not been recalled. We cannot accept cribs, mattresses or any other baby/children’s furniture. We will accept only large toys such as train table (with trains), ride-on toys, American Girl dolls, etc. Battery-operated toys must have working batteries included. ***You must check recall status for baby items and toys at <http://www.cpsc.gov>.*** Please bring a copy of the search results showing that the item has not been recalled with you to drop-off.

For car seats, they must be less than four years old and never involved in an accident.

We will not accept loose, torn books, small toys or stuffed animals but will consider boxed collections and groupings and limited/special editions depending on the item. Contact us in advance of the sale to save you time.

The best guideline to use is whether you would purchase the item for yourself, again. Please, this is not the venue in which to unload bags of stored items from your home.

All consigned items will be inspected at drop-off to maintain a high standard of quality merchandise. We reserve the right to decline any items from the consignment sale.

Accepted Items

Toys - infant, toddler, kids, play equipment, pool toys, scooters, puzzles, board games

Gear - car seats less than 4 years old, highchairs, boosters, exersaucers, Pack-n-Plays, swings, strollers, carriers, bathtubs, bouncy seats, monitors, bassinets, Boppy pillows, headrests, diaper bags, activity mats, diaper pails, baby proofing items

Clothing - infant to girls size 14 and boys size 20. Accessories, maternity, shoes, dress up clothes, swimwear, dancewear and pajamas.

Room Decor - bedding, blankets, pictures, mobiles, crib sheets, lamps, rugs, wall hangings

Sports Equipment

Video Games & Systems

Parenting and children's books, videos and DVDs

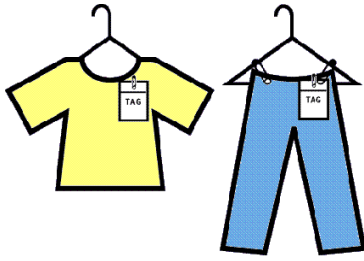

Unacceptable Items

- Out of date clothing
- Furniture
- Baby equipment older than 5 years
- Car seats that have been involved in car accidents
- Recalled items (use <http://www.recalls.gov/> to check on items)
- Stuffed animals (other than new or battery operated)
- Items with stains, broken snaps or zippers or missing parts
- Undergarments (unless new)
- Bathing suits (unless new)
- Bottles or pacifiers (unless new)
- Untagged items
- Unclean items
- Items without batteries that require them
- Perishable items

Preparing your items

Taking the time to prepare your garments properly will make them look great and ***the better they look, the better they will sell.*** Freshly laundered and pressed items do best. Button all buttons, tie all bows, and zip all zippers.

All clothing must be on hangers. Pants, shorts and skirts must be secured to the hangers with safety pins. Please see the diagrams for proper hanger direction, pinning, and tag placement. **Exception to tag placement is for delicate fabrics - pin these tags on the inside label of the garment.*

TAGS: Download the tag template from our website. Be as descriptive as possible when completing price tags. Sometimes tags get separated from their items and better descriptions help match up items to their price tags. The MOMS Club of Garnet Valley is not responsible for unsold items due to missing, stolen or otherwise tampered with tags.

IMPORTANT!

- We HIGHLY recommend that you use 60#-67# cardstock to print your tags. Do not use regular printer paper as that will get damaged and your consignment information will be lost. Cardstock is readily found at drugstores like CVS or Walgreen's and discount stores like Target, K-Mart and Wal-Mart.
- All tags must be safety-pinned to the right front side of each garment when on the hanger (the left side of the garment itself) - do not use straight pins; we will not accept the item. Use sturdy safety pins, at least 1" or bigger.
- Use **WHITE** cardstock for items that you will donate to The MOMS Club of Garnet Valley after the sale if it does not sell. Unsold items donated to The MOMS Club of Garnet Valley may be donated to a charity or otherwise sold with all proceeds benefiting our philanthropy programs.
- Use **YELLOW** cardstock for items that you will pick-up if unsold.
- If you do not want your item to be sold at the 1/2 price sale, you must indicate this with a **LARGE RED DOT** (a red Sharpie works great) on the lower right-hand corner of the tag.

Preparing shoes

On the sole of each shoe, clearly mark your consignor number on a piece of masking tape. Attach a tag to the sole of one shoe in each pair with clear packing tape. Make sure to secure the mates together either with wide rubber bands or in a Ziploc bag large enough to hold them together.

Preparing clothing sets

For top and bottom sets, put the top on the hanger and then use safety pins to secure the bottoms to the top so that both pieces can be seen easily. Clearly mark "1 of 2" on the price tag and attach to the top. Complete another price tag and mark it "2 of 2" and attach to the bottom. Make sure sets are not mixed sizes even if it was worn that way.

Preparing toys and equipment

All items must be functioning properly and be cleaned and wiped down. All items requiring batteries must have working batteries included. Include all pieces and securely fas-

ten together using tape, ziplock bags or zipties. Books and complete puzzles can be packaged in ziplocks or plastic wrap. For large items that need to be disassembled for transportation, make sure that you include a picture of the item assembled and that all pieces are included.

Attaching tags to non-clothing items

Locate a flat surface on the item (preferably not the bottom) that is easily visible and secure the tag with clear packing tape to the item.

HOW DO I PRICE MY ITEMS?

This is probably the biggest question on everyone's minds. The bottom line is that *YOU* price your own items, so price according to your comfort level. However, don't price so high that your item won't sell and don't price too low and sell yourself short. A good guideline to use is 20-30% of the retail price and up to 50% of the retail price for items that are brand new with tags or by better designers. There is a \$1.00 minimum and price in dollar increments.

Consignor Checks

The MOMS Club of Garnet Valley gives consignors a generous 70% of sales! Checks will be mailed within 2 weeks of the sale, probably sooner. ***Remember to include a self-addressed, double stamped, business sized envelope with your registration form to speed up the process.*** The tags from your items will be included with your check and items that sold at 1/2 price will be indicated with highlighter. This will help you for our future sales to see which items sold at what prices.
