

Rocket Order Form  
Must be returned by March 1<sup>st</sup>.

Units do not have to purchase rockets to participate, but you will have to supply own materials, including engines if you do not order. Units ordering will be supplied with 2 engines per rocket in order to launch rockets at camporee.

Two rockets to chose from –includes Gnome ( which can be seen in the new Scout Catalog and the Generic . Difference in rockets are –

Gnome- 10.3 inches long- streamer recovery- 800' feet max altitude

Generic- 15 inches long- parachute recovery-1100' feet max altitude

Cost of Rockets with 2 engines-

Gnome- \$6.50

Generic-\$9.50

Unit #- \_\_\_\_\_ Contact Person- \_\_\_\_\_

Ph#- \_\_\_\_\_

Gnome- how many- \_\_\_\_\_ @ 6.50= \_\_\_\_\_

Generic- how many- \_\_\_\_\_ @ 9.50= \_\_\_\_\_

Must have payment with form- after March 1<sup>st</sup> can not get rockets here in time for camporee- All rockets are easy to assemble so all ages can enjoy- assembly in less than an hour- Rockets come in 12 packs so try and help me with the ordering process, Thanks
