

CO2 Powered Cars

Assignment #4 – Descriptive paragraph

NAME: _____

Instructions: You must write a descriptive paragraph that engages the reader and explains the qualities of your car. Think of this as an advertisement for your car. You will include a picture that you will take and insert.

Example

Colgate 1

The Colgate 1 dominates the streets. Its sleek design and stunning colours makes this dragster one to remember. With the use of a powerful carbon dioxide pressured engine the Colgate 1 can reach speeds of up to 20 meters per second. Fuel up and hold on, this car will take you for a wild ride.
