Assignment #4 Cooperatives

NAME: _____

DATE DUE: _____

Instructions: In your small group read the case study and answer these questions.

1. What is the name of the organization?

2. When and where was it established?

3. How is it structured?

4. How have the members of this organization benefited from collective action?

5. What are some of the challenges facing the organization?

6. **Summary** - Write a summary statement that combines the information gathered as you read and answered the questions.

Self Evaluation - productive group member

	All of the time	Most of the time	Some of the time	Not at all
Initiating Discussion • tried to get interest of other group members, suggested courses of action to follow, suggested new courses of action when the group got bogged down				
Giving Information • provided factual information and/or sources of information				
Giving Opinion • gave personal opinion(s) on the topic				
Evaluating Ideas/Suggestions • evaluated suggestions of group members to determine whether ideas would work				
Staying on Track • kept the group focussed on the job at hand, deflecting irrelevant ideas, maintaining standards, setting an agenda and seeing that it was followed				
Encouraging • encouraged other members of the group to share their ideas or opinions				
Supporting • supported other group members by acknowledging their ideas and suggestions				
Harmonizing • helped group members accept or solve problems that might otherwise create conflict				
Mediating • tried to get people with different points of view to compromise or agree to an alternate solution				

- Late or incomplete
- Answers lacked sufficient information
