Like it's patriarchal namesake who has told generations of young people, "**You Be You!**" this bold stout stands unique among beers. Ain't nothin gonna make this bad boy lurk in the shadows. You Be You knows who it is and proclaims its independence from mainstream normality by the attributes it possesses. The head is a light brown composition of foamy goodness. A rich malt aroma with a hint of floral says 'get ready'. Massively rich malt flavors assault the sensory receptors of your tongue with extravagant sweet malt and dark fruit character balanced by roasted malt dryness. Hints of molasses and licorice conclude the euphoria of that sip experience. **You Be You!**
