COLLECTIVE BARGAINING PLAN AGREEMENT

WHEREAS, you "the benefits recipient" hereby acknowledge the Company's involvement with other persons regarding asset management and understand that your investments may be held with the investments of others from time to time at the discretion of the plan administrator unless you specifically select a plan that allows you to direct investments in an individual account.

WHEREAS, you understand that all applicants are free to negotiate their own plan; fixed income, pension, welfare, etc. for whatever reason and that although MJF Asset Management and any other company listed herein will set limits on income and spending, you acknowledge that these are only daily batch limits set-up at the time your account was opened, further spending is determined at the discretion of the applicant ("you").*

WHEREAS, the maximum savings amount allowed by law per account is determined on an individual basis and these amounts change over time. Consult your tax advisor or financial advisor when you feel you may be reaching the limit to avoid heavy penalties. We will never misstate your maximum savings amount(s). Financial reports and statements are available to third parties upon written request by the applicant ("you").

WHEREAS, it has been determined by the Chairman of the Board that it would be an even better benefit to a benefits recipient (enrolled in this plan) to customize their benefits plan as they wish to feel comfortable with both the risks and rewards of this plan rather than choose from a pre-selected group of plans.

*There may be restrictions on the withdrawal of your savings. Holding periods vary per account.

Below, please find an application for enrollment. You must complete this form in black or blue ink.

Deductions will be shown on your account statement as Benefit Plan and/or Alt Profit Sharing.
