TELEPHONE PLANT ABANDONMENT AND REMOVAL AGREEMENT

The undersigned land owner does hereby consent to permit agents, servants or employees of Mountain Telephone to remove telephone plant as noted below and all attachments thereto from their present location on, or across, his or her property in the exchange noted below.

It is understood and agreed that the landowner is to retain as his or her property, as indicated below, all poles with attached apparatus intact at the site of their removal from the ground and that the balance of said poles and all attachments thereto are to be removed from the property of the landowner soon after their removal from the ground.

Mountain Telephone, or its agents, shall be responsible for removing all of the above poles from the ground and shall perform their work in a workmanlike manner and shall promptly fill all holes created by removal of poles listed below. However, landowner shall be fully responsible for the poles and all attachments that are to become his or her property as soon as said poles have been removed from the ground and placed upon the ground near the site of their removal.
