

Name: _____
Class: _____

Date: _____
Mr. Welch

VOCABULARY QUIZ #4

Match the Vocabulary Word with its Definition – 1 point each

1. Parliament _____	A. A ship that Europeans designed that had a large hull and many sails.
2. Pilgrims _____	B. The name for Spanish explorers who defeated American Indians. Examples include Francisco Pizarro and Hernan Cortez.
3. Missionary _____	C. The agreement made by Plymouth colonists about how they would run their colony.
4. Caravel _____	D. A kind of government where voters elect people to make laws for them, rather than voting directly for the laws themselves.
5. Galleon _____	E. The right that the Spanish government gave to Spanish colonists saying they could demand labor or taxes from Native Americas.
6. Magna Carta _____	F. A group of people who move to a new land and are ruled by the government in their home country.
7. Ecomienda _____	G. A large area of land that was farmed by many workers. It was usually used to grow raw materials in colonies.
8. House of Burgesses _____	H. A ship that was designed by Muslims and used by Europeans to explore the world. It had three triangular sails.
9. Mayflower Compact _____	I. The representative assembly in England whose job is to help create laws and run the government.
10. Protestant Reformation _____	J. The movement that wanted to make changes to the Catholic Church. As a result, many new Christian churches were created.
11. Representative Government _____	K. A person who tries to spread religious beliefs to other people.
12. Plantation _____	L. The document that guaranteed rights to English nobles. It is important because it was one of the first written constitutions in European history.
13. Conquistador _____	M. The group that colonists in Virginia elected to create laws and run their colony’s government.
14. Colony _____	N. English settlers who sought religious freedom in the Americas and settled mostly in Massachusetts.

Skill: Colonies and Mother Countries

Complete the following chart listing three separate reasons why European countries created overseas colonies. For each reason, give an example from the primary source readings or the textbook readings that you have done this week.

Reason	Example

Extra Credit: What shipping technology did Europeans borrow from Muslims in North African and the Middle East?
