

Back to School: Welcome to the BMS Gifted & Talented Academy

Welcome to a new school year! The Gifted & Talented Academy's objectives are to have a school community in which every student feels respected and valued, are able to take risks and learn, while being encouraged and challenged to achieve at the highest levels.

Brown Middle School's motto is "Every Child, Every Chance, Every Day!" The Gifted & Talented Academy is embracing the belief that learning takes place both inside and out of the classroom, incorporating life-skills and real-world experiences. Each teacher has chosen a college or university to highlight in his or her classroom in an effort to promote higher education. The Academy is planning a number of field trips to provide our students with valuable learning opportunities. We look forward to a fantastic and successful year.
