

Character Committee members _____

You are assigned to research and examine the character: _____

Complete the following 4 steps:

1. List three to five character traits
 2. Find examples and quotes from the play to prove each character trait
 3. List each character's main objective. Find support in the text each objective
 4. Describe how the character talks-- in what verse pattern, in what style. Find a sentence that demonstrate the style.
- Reminder-- always give the source of your quotes
