Harris, Muriel. "Talk to Me: Engaging Reluctant Writers." A Tutor's Guide: Helping Writers One
to One. Ed. Ben Rafoth. Portsmouth, NH: Heinemann, 2000. 24-34.

While I actually did not read this book, it serves as an example of how to properly format poems and stories within the book. This is what you will need to do for each poem. Note that it is in alphabetical order.

Wright, Richard. Rite of Passage. New York: Harper Collins, 1978.

This book highlights the day in the life of a young African American. During the course of the story, he changes from being a model student and youth to a runaway. This is because he finds out that he was adopted and his family was not actually blood related. Reading this book made me enjoy Richard Wright, especially how he intertwined racism, youth issues and poverty. Additionally, it was a very exciting and quick read.
