Subj: LETTER OF RECOMMENDATION *for your NAME*

It is with great pleasure that I recommend *YOUR NAME* for the Air Force Officer program.

I have known *NAME* for approximately four years and have seen nothing but a desire to excel and a need to participate in all things aviation. Over time, he expressed an increasing interest in serving within the United States Armed Forces, primarily the United States Air Force.

NAME has the makings of an excellent officer, particularly with regards to making decisions, taking responsibility, and effectively leading others. Not afraid to take risks, he has demonstrated an entrepreneur like attitude, willing to take a chance and follow the events through with success.

NAME personal character is also exemplary. His dedication to his family, his moral values, and his internal drive for success are to be emulated by his peers and friends. Once he has a goal in sight, he will work as hard as possible to achieve that goal, typically with outstanding results.

On a professional note, the one thing that has tied his personal and professional aspirations together has been aviation. Working as hard as he could to get through civilian air school, *NAME* at times had to work two or more jobs, sometimes sacrificing time with friends and relatives to ensure accomplishing this goal. This passion and dedication to all things aviation has been prevalent in his studies, not to mention an integral part of his extracurricular activities.

It is with the utmost enthusiasm that I recommend *NAME* receive a commission in the United States Air Force.
