

GEOMETRY

Description of the Class

The purpose of this class is to earn math credits that fulfill your graduation requirements. It is called “informal” geometry because we will not study proofs, which are a main feature of college prep geometry.

Rules

- Be respectful
- Food and drinks are OK, but please clean up after yourself
- No cell phones or MP3 players as per school policy

Grading and Expectations

- The grade for the class will be roughly 50% assignments and 50% quizzes and tests.
- You will be allowed to use your notes during the test (but not the book).
- Late work is not accepted.
- If you are absent, you can only make up the work if your absence is EXCUSED.
- Please share this syllabus with your family so that they know how the class works.

Note from Your Teacher

Please let me know if there is ANYTHING I can do to help you achieve your goal of graduating this year!!! I want to see you walk across that field and get your diploma in June ☺.
