

Recorder Consort

We have a new and exciting music group that meets after school. It is a Recorder Consort, after the recorder groups from the Renaissance Era. It is different than recorders you have ever had before. We will teach you these instruments that come in sizes smaller than the recorders in elementary school all the way up to the bass. We will learn different music from different time periods. We will have the opportunity to perform for the Holiday Choir Concert in December. You have the opportunity to purchase your own recorder to use in the group. However, instruments will be provided for your use if cost is a factor. You do not need to be signed up for any music class or ensemble (choir, band, orchestra). If you are simply curious and would like to know more, sign up below. We are tentatively meeting on Tuesdays right after school until 3:30 in Room 151 starting in September.
