Homework:

Homework is assigned daily, checked for completeness (stamped)~2x a week, and collected each chapter. Each homework packet is worth 20pts, awarded as follows: 1 point for each stamp (3-5pts a packet), and a point for each correct problem (out of 15-17 problems corrected at random per packet). I accept late homework, -1pt a day.

I do not replace lost worksheets, if you lose a worksheet, you must download it from my website (listed at bottom).

Quizzes:

Quizzes are given at random, approximately 1 quiz a week. They are worth 10-20pts each. If you are absent, you are excused from the quiz; there are no retakes on quizzes.

Exams:

Exams are given at the end of each chapter. They are worth 35-50pts each. If you are absent, you must take the exam when you return. You may retake exams for a 70% if you have all assignments complete.

Absences:

If you are absent, you are responsible to find out what you missed, and make it up in a reasonable amount of time. The general rule is: one extra day per day missed.

Grading Scale:

Homework ~ 20%

Quizzes ~ 20%

Exams ~ 50%

Other ~ 10%

Website:

All homework assignments are available on my website: www.geocities.com/msvettel

If you are absent, don't know an assignment or are missing a worksheet, you must get it from the website.

Help:

Help is available in mass quantities. I am available before school, after school, and at bruin hour. Also, there is peer tutoring in the library, and a math lab every Tuesday, math teacher included. Please be proactive about your learning. Help is available, all you need to do is ask!
