Spring 2007 is already full of many activities. The first event will be Phi Chi's recruitment starting on January 29th and ending on February 1, 2007. Throughout the four days we will get to know the perspective new members with activities including introduction games and painting banners for fraternity recruitment. We will also be participating in Panhellenic's Panty Party, an event at which we will donate packaged under garments to a women's shelter. This same weekend two of our members, Sarah Finchum and Savanna Teague, will be attending the Blue Raider Leadership Summit with other Panhellenic members. Finally, the following weekend will be hosting the Alumnae/Sister mixer. We hope to see as many of you there as possible.

## Goals, Gold Standard, and Greek Life

New goals have been put into place to help keep the sorority on track. As everyone knows we have been working on moving the sorority in a new direction. We believe that the goals will help us to achieve this. While each person has been delegated the task of making a goal for each chair; our current president has given the sorority as a whole four goals to work towards. The first goal is for the sorority to raise the overall GPA we accumulated last semester to meet the guidelines set by Greek Life to achieve the Gold Standard, a set of aspirations for Greek Life organizations on MTSU's

As a goal each sister must also earn community service hours. Finally, each sister is to complete library hours, which will take effect at the beginning of the week. We hope these goals will help us move and grow in a new direction while achieving Greek Life's Gold Standard.
