The next meeting will be held May 2, 2004 at 7 p.m.. over the Post Office. We are still accepting nominations for officers for the coming year. Election of officers will be on the agenda. If you are interested in holding an office please be sure to attend and get your nomination in. This is the last chance until next year, elections will be held at this meeting. Please attend this meeting and get involved and help the club grow.

As you know the trails are very wet and if we want to continue to use them we have to be patient and let them dry up before riding them. We certainly don't want any landowners to have a reason to take away our privilege to use a trail. You can't blame them because it is very easy to tear up the terrain when it is wet like this. As you know there is a lot of debate in Augusta about new laws pertaining to ATV's, one of which is a mandatory closing of all lands in the spring until **at least** May 15th. Let's not give them a reason to pass a new law. Instead let's show them that we have the common sense not to destroy property just for the *fun* of it. It's up to us.

We have quite a few new members that we would like to welcome aboard, come and get to know everyone. If you know anyone who would like to become a member ask for an application or give them the phone numbers above. Applications are also available on our web page. We are growing all the time and the more members we have the more exciting it is.

We are asking for email addresses so we can email the newsletters and save postage, if you have one would you please send it to mtwaldowheelers@yahoo.com. You can visit the web site you can read it online at www.geocities.com/mtwaldowheelers. Please let us know if you want to receive one through the mail so we know whether to leave you on the postal mailing list or put you on the internet list. Thank you.
