### Newsletter

The next meeting will be held April 4, 2004 at 7 p.m. over the Post Office. We are looking for nominations for officers for the coming year. Please attend this meeting and get in on the fun and excitement as we move into our second year. We are in the process of incorporating and we will be getting ready to apply for grants from the State. We are also planning to join ATV Maine this year. That will give us some more clout with the State and some more benefits. One of the benefits is a \$2000 AD&D insurance policy for all members and family members.

Come to the meeting and get ready for spring. It is coming and we want to be ready with ideas for new trails, fund raisers, some great rides and most of all just a great year.

We have quite a few new members that we would like to welcome aboard, come and get to know everyone. If you know anyone who would like to become a member ask for an application or give them the phone numbers above. We are growing all the time and the more members we have the more exciting it is.
