### **The MCA is coming back to Concord, CA!**

That's right, folks! DVMA has been awarded hosting duties for a 2012 MCA Nationals return to Northern California.

We're going to need *LOTS* of volunteers for committees like Hospitality, Health Safety and Security, Parking, Special Events, Parking and so on. Don't be surprised to get a tap on the shoulder by one of our show organizers to ask for your help in making this upcoming National an awesome event that the DVMA can be proud of!

The first show committee meeting for this new *Golden Gate Mustang National* event is scheduled for **Sunday, March 20<sup>th</sup> at 4:00 PM at the Crowne Plaza Hotel** (adjacent to Buchanan Field) at 45 John Glenn Drive, the same host hotel we used for the *2007 Wild West National* show. We've got several returning committee members from the 2007 show, so there will be experienced folks to help guide the newbies.

Mark your calendars, crack open a big can of "git 'er done!" and join us in the planning phase for what will be the *best National show ever hosted on the West Coast!!*
