Quilts FOR SALE

Thank you for helping make this new venue a success! If you could fill out the information above and below and make sure you enclose a picture too that would be great. The quilt should be clean and ready for sale. I will be accepting quilts a couple months before show time, but will take applications anytime. I will type up a glowing description depending upon the information you give me below, so ham it up!

Regarding the amount of money you would like to get for your quilt. If you could fill in the desired price you would like to get for the quilt and then your bottom line price in case they want to haggle. If you are not sure what to charge there a couple websites that I found which may be helpful. <http://www.quiltsforsale.ca/> or <http://www.quiltbroker.com/> I also heard that you could take the total cost of the materials (full price of fabric, thread, batting, backing, embellishments, etc.) and multiply it times three. For example: If everything cost \$100. then you could ask \$300. for the quilt. Of course, if it is hand quilted then I should think you could ask more for nicely done work.

Give me as much information as you can about your quilt for the buyer:
