WHAT IS THE COST OF HOMOSEXUALITY?

by

Rev Quek Suan Yew
Pastor of Calvary Pandan BPC

The invasion of the gay way of life is what many Singaporeans are concerned with. Is this concern justified? What impact would the legitimizing of the gay life have on the society of tiny Singapore? As Christians we cannot afford to turn our backs on an issue such as homosexuality. This is an important issue not because we are Singaporeans and it affects our society, although these are valid reasons. I believe

that the greater reason why Christians must take a strong stand on this is because of the clear teaching from God's Word on homosexuality.

A Mind-set of Relativism

Homosexuality as an alternate lifestyle is one of the symptoms of relativism. Today, there are few moral absolutes, if any, that our children can cling onto to live their lives. With this latest attack on the bastion of our society, namely the family, Singapore may soon join the ranks of many nations and fall by the way side if she does not take a strong unyielding stand against homosexuality as an alternate lifestyle. If the price of economic prosperity is moral decay then do you not think that it is too costly?

The moral foundations that this country is built upon all these decades can be eroded by one fell stroke if we let down our guard and allow this trend of relativism to enter in our society. Situational ethics will replace right and wrong. It is right only when you say it is right and likewise the issue of wrong! Our children will tell lies when it suits them because expediency and self-preservation dictate their moral conduct!

As Christians, the absolutes we cling onto to are not negotiable for they are given to us by God. They are embedded in the very Word of God. The Ten Commandments succinctly summarize for all Christians what God expects of us as we conduct ourselves in this world. If we break His apodictic laws, then we sin and we are condemned by

Him. We will stand and be judged by Him one day. There is no escape. **“And as it is appointed unto men once to die, but after this the judgment.”** Hebrews 9:27.

Marriage under Siege

Marriage was ordained by God before sin came into this world. Marriage was meant to be sacred and beautiful between a man and a woman whom God had created. Within the confines of this relationship, children are brought up to become upright and balanced citizens. But when man turned Holy Matrimony into sin, he undermines the very foundation of his home and his society begins to die. Immorality, sexual perversion, fornication, and adultery are sins that have already destroyed many homes. Innumerable number of children has become half orphans by a rise in divorce.

To legalize the gay lifestyle in our small country would be causing families to self-destruct. Children will soon have two same sex parents, if you can call them parents at all! Who is the father or who is the mother? The entire family structure would be turned upside down. A society is only as strong as the family unit. Families must be protected at all costs. To put the family ties and bonds in jeopardy is a legacy we cannot afford to pass on to our children.

God Condemns Homosexuality

The strongest argument against the homosexual life style is the condemnation by God of this sin as revealed to us in Holy Scripture.

The judgment of God to every born again Christian on this issue is very real and clear. The Bible says in 1 Corinthians 6:9, **“Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind.”** The person’s salvation is put into doubt if he says he is a Christian and

remains as a homosexual. Some misguided pastors and theologians have tried to water down the Word of God by saying that you can be a homosexual and a Christian at the same time so long as you do not practice the act of homosexuality. Such kind of man pleasing teaching is not helpful or truthful. It is like telling someone that it is alright to lust after a person in his heart and mind so long as you do not commit the actual act of adultery or fornication. You have not sinned against God, so they argue! But Jesus states very clearly and uncompromisingly in Matthew 5:28, **“But I say unto you, That whosoever looketh on a woman to lust after her hath committed adultery with her**

already in his heart.” From God’s perspective sin is sin. If you lust in the heart it is as good as sin in God’s eyes. To tell a person that he can be a homosexual at heart but do not do the act is to deny the truth and live a lie.

God destroyed Sodom and Gomorrah because from the youngest to the oldest and the richest to the poorest, they committed the sin of fornication and homosexuality. **"Even as Sodom and Gomorrah, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire."** Jude 1:7. The sin of homosexuality has permeated throughout the entire cities of that region that God had to destroy all of them. The evidence is the present Dead Sea in Israel. This is a warning to all of us. Homosexuality is a sin that infects and affect across the whole spectrum of society. It does not remain indoors or within one family.

As obedient Christians to God’s Holy Word, we have no choice but to stand against the life style of homosexuality. This is not an alternate lifestyle for our children to choose from. It is a lifestyle condemned by God in the Bible. It is sin! God calls this lifestyle an abomination. **"Thou shalt not lie with mankind, as with womankind: it is abomination."** Leviticus 18:22.

Like all sinners homosexuals need the truth of God. Homosexuals need God’s love and help, not our misguided condoning of their lifestyle. The Bible teaches us to love all sinners including homosexuals. But the Bible also teaches us to condemn sin, because sin destroys lives. The Christian’s love must always be in truth. Is it love, when I keep silent and allow you to walk into a hole knowing that you might break your leg or die? Is it love, when I see a house on fire and keep silent? Is it love, to keep silent and allow the SARS virus to spread all over the world and destroy lives? Our government knows this well when extremely stringent measure involving millions of dollars were spent in preventing this deadly virus from spreading. The stringent measures were not popular but necessary. Many in hospital died lonely deaths because of these measures! Is it not out of genuine love for her citizens that our Government has taken such a strong stance? Likewise it is out of genuine love that Christians take a biblical stand against the sin of homosexuality. To keep silent and allow this deviant and sinful lifestyle to become an acceptable lifestyle would not be love but hate. Amen.

“Pray Against the Gay Agenda”

We have been told that Singaporeans should be more tolerant to gays (homosexuals) because we don't want creative-bohemian-gay foreign talents to by-pass us. They are the relatively mobile foreign talents that Singapore desperately needs to boost its talent pool to ensure success in the creative services sector e.g. biotechnology and biomedical sciences. It's all about Singapore's economic survival – but at the expense of a serious threat in bringing down the walls of our traditional family values, which form the building blocks of Singapore's society. More importantly, this move has challenged the practice of biblical principles. If we do not stand firm, Singapore will soon become a city of sin and gay – *Sin-gay-pore!* Be warned that ***“for this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompense of their error which was meet.”*** (Romans 1:26-27) God is still on the throne and He will punish!

The resurrection of the Sodom (Gay) agenda in recent history can be traced back to the Wolfenden Report published in the UK in 1957. The Committee was chaired by John Wolfenden (1906-1985), previously headmaster of Uppingham and Shrewsbury schools, who subsequently became the Vice Chancellor of Reading University in 1950 and later, Director of the British Museum. Other members of the Committee included a consultant psychiatrist, the chairman of Uxbridge magistrates court, the vice-president of the City of Glasgow Girl Guides, a Scottish Presbyterian minister, a professor of moral theology, a High Court judge, a Foreign Office minister, and the Conservative MP for Putney. The Committee met for the first time on 15 September 1954. Three years later, their work – *“Report of the Departmental Committee on Homosexual Offences and Prostitution”* (or *The Wolfenden Report*) was published on 3 September, 1957. Of the 13 members of the Committee who had served for the full three years, 12 recommended that homosexual behaviour between consenting adults in private should no longer be a criminal offence. Amid strong public debates over the years, the gay community grew uncontrollably – infesting families and churches. Since then society has spiralled downwards spiritually. The UK has committed a grave sin by pulling down the fences of traditional family values and supported the gay movement. Singapore should take note, be warned and not repeat this grave error – otherwise, the consequences can be most devastating.

America has also given approval to the gay movement. Read this and I quote – *“Now, therefore, I, William J. Clinton, President of the United States of America, by virtue of the authority vested in me by the Constitution and laws of the United States, do hereby proclaim June 2000 as Gay and Lesbian Pride Month. I encourage all Americans to observe this month with appropriate programs, ceremonies, and activities that celebrate our diversity and recognize the gay and lesbian Americans whose many and varied contributions have enriched our national life.”* President George Bush (said to be relatively traditional) cannot stop this because he needs the support of the gay community in the next elections. Sadly, the gay agenda has become intertwined with politics.

Many research findings are biased in favour of the gay movement. The fact is that even homosexual activists in the USA are abandoning the ‘genetic’ argument

because extensive research does not conclusively support the theory of biological causation. The gay movement has a strong agenda to push for gay acceptance to ensure that their alternate lifestyle be allowed to continue which is sin against God. The world needs an absolute yardstick for morality which must be God's inspired, inerrant and infallible Word, and not man's human perception of relativity.

However, like it or not, Singapore has been embracing almost everything American – McDonalds, Hollywood, the University system and even the gay movement. We must pray for God's mercies. FCMers – the time has come for us to pray hard, to pray for our nation, to pray for our families and to pray for the church. ***"Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:"*** 1 Peter 5:8

Remember how God dealt with Sodom and Gomorrah. The wickedness of their inhabitants brought down upon them fire and brimstone from heaven, by which they were destroyed. These cities and their awful destruction are recorded in the Scriptures for our learning. (Deuteronomy 29:23; 32:32; Isaiah 1:9,10; 3:9; 13:19; 2 Peter 2:6) No trace of them or of the other cities of the plain has been discovered; so complete was their destruction!

We must pray therefore for our nation – for God's mercy and a government with high standard of morality as laid down in God's Word. Pray for the gays that they may repent of their sins and be saved in the Lord. Christ is their only hope as is ours. We must not surrender to the gay agenda but rather pray against it that God in mercy may intervene!

FCM COMBINED MEETING **SEPTEMBER 2003**

Greetings in the blessed name of the Lord. We thank God for the blessed FCM combined meeting on 5th September at Calvary BP Church (Pandan). By the grace of God, besides the regular FCMers who came, there were many new faces and several alumni members who joined us.

O what joy it was to spend an evening away from school. We were actually looking forward to fellowshiping with like-minded brethren at this FCM combine meeting. Prayers answered, we even got to know a few new brethren over lighthearted conversations during dinner. It was a meaningful time of fellowship, encouraging and edifying one another. Indeed how good and how pleasant it is for brethren to dwell

together in unity!

After having a wonderful meal graciously prepared by the poly FCMers, we gathered at the conference room for a time of spiritual refreshment. The message for the evening was "Genesis of the FCM and its Outlook," by Dr Tow Siang Hwa. Dr Tow began by sharing the history of the FCM (Fundamental Christian Ministry). FCM was formally known as VCF (Varsity Christian Fellowship). It was founded by Dr Tow and team during his university days, back in the 1950s. It was his burden for a fellowship group where university students like himself can grow spiritually in the Word of God. However in the span of twenty years, VCF fell away due to its unbiblical compromise. **"Now we command you, brethren, in the name of our Lord Jesus Christ, that ye withdraw yourselves from every brother that walketh disorderly, and not after the tradition which he received of us."**- 2 Thessalonians 3:16. Therefore, as it has always been the will of God to withdraw from a fellowship that has departed from sound doctrine and practice, Dr Tow took a crucial step and set up FCM. Till today, it has been the Lord's working and preserving hand that FCM has grown beyond NUS to other tertiary institutions.

"Therefore, brethren, stand fast, and hold the traditions which ye have been taught, whether by word, or our epistle." -2 Thessalonians 3:15. It is important that we continue to study and meditate upon the Word of God. As Dr Tow ended off by mentioning the song "Maybe today", it caused us to reflect on our faithfulness in service for the Lord. The Lord's return is nearer than we think. May the Lord find us faithful till He comes!

Following the message was a time for prayer and sharing within our individual FCM groups. Thank God for this opportunity where we can bear the burdens of our fellow brothers and sisters in Christ by praying for them. **"Bear ye one another's burdens, and so fulfill the law of Christ."**- Galatians 6:2 Even as we seek the Lord humbly in prayers, the Lord is in the midst, hearing us.

Indeed, we have gained many precious truths from the message and have been much blessed by this combined meeting. God willing, we look forward to the next combined meeting. Till then, may we continue to be steadfast in His Word, **"That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God"**- Colossians 2:10

NUS/SMU FCM Gospel Rally 2003

Blind faith or Saving faith? That was the question that was posed to both the FCMers as well as the friends that had joined us for the gospel rally. This year, the gospel rally organized by NUS/SMU was held on 19th September with Rev Jack Sin (Pastor of Maranatha BP Church) as the speaker.

“The fruit of the righteous is a tree of life; and he that winneth souls is wise.” Proverbs 11:30 As William Arnot said, “To win an immortal from sin and wrath to

hope and holiness – this is honourable work, and difficult. It is work for wise men and we lack wisdom.” Indeed we lack wisdom, from seeking the courage to invite non-believing friends to striving to always maintain a good testimony at school. But God has promised that if any of us lack wisdom, and if we ask from him, he shall give it to us (James 1:5). How comforting! We met on two occasions, once on a Wednesday morning and the other on the day itself to pray for the friends that were coming that night. **“Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God.”** Philippians 4:6

Rev Jack started by asking if we believe that Sir Stamford Raffles founded Singapore and we having studied the history of Singapore, all nodded our heads. Following that he questioned why we did when we had never seen him before – is it not by faith? Subsequently, he presented to us the discoveries of men in the scientific and historic

realm and compared them with the Bible. For example, it was only in 1522 that men realized that the earth was round which was a few hundred years ago but in Isaiah 40:22 **“It is he that sitteth upon the circle of the earth...”** was written in the B.C (Before Christ) period which was thousands of years ago! Personally, it was just remarkable to see the links between Science and Christianity and it revealed to me once again how awesome our God is. One cannot help but marvel at the wisdom and power of God which makes me ashamed of myself when I think of the numerous times I placed my trust in men rather than God, our Creator.

I'm sure many of us FCMers present that night have heard the gospel message preached umpteen times before but I am sure just like any message, we walk away feeling

blessed. Gospel messages like these are not just meant for our non-believing friends, it's for us too. They help to rekindle the relationship with our first love, provide an assurance that our God neither changes nor fails. **"For I am the LORD, I change not,"** (Malachi 3:6) and most importantly, having being so blessed by God's goodness, reminds us to share this good news with others. This baton is meant to be passed.

It was only by the grace of God that everything went on smoothly - from the provision of the Creation Magazines at low costs to the preparation of food. Although we cannot be certain if any seeds were sown or any seeds sown were reaped that night but we do know that God in his own time will bring it to pass according to his will. **"To every thing there is a season, and a time to every purpose under the heaven."** Ecclesiastes 3:1

"For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast." Ephesians 2:8-9 The Christian Faith, as this verse clearly spells out, is one that does not require us to **do** anything, instead it has already been **do(ne)** for us. One just needs faith. The summary of the gospel message can be literally found in the word *gospel* itself: **G**od's **O**ffer of **S**aving **P**ower unto **E**verlasting **L**ife. And the steps to being a Christian are easy as **ABCD**: **A**ccept Christ, **B**elieve what the Bible says, **C**onfess and repent of sins and **D**evote your life to follow him.

Are we willing to devote our lives to him? Are we able to respond the same way Simon and Andrew did when Jesus said, **"Come ye after me, and I will make you to become fishers of men. And straightway they forsook their nets and followed him."** Mark 1:17-18

May we armed with these little interesting acronyms shared by Rev Jack, together with experiences where we had a taste of God's goodness and grace and with His word pass this baton on. **Delay It Not!** Truly let us make a DIN to our God!

FCM Retreat 2003

I greet all of you in the blessed name of our Lord and Saviour Jesus Christ. How have all of you been keeping?

Firstly, allow me to share a personal testimony. I first joined FCM about a year ago. I was still a young believer then and was having problems with my prayer life. I thank God that the theme of the previous FCM retreat was on "Prayer". Through the hearing of God's Word preached by Rev. Quek Suan Yew, I was able to gain many valuable lessons on prayer. I was also blessed by the sweet fellowship at the retreat. Through the retreat, I got to know many of the FCMers better and a few of them have become close spiritual friends. One of them was Patrick, whom I know I can always depend on to discuss about spiritual things. I am sure others who attended the last retreat were also similarly blessed by it. ☺

Having testified of the wonderful time we had at the previous retreat, it is now my pleasure, on behalf of the retreat committee, to bring you a short introduction on what we will be doing for the upcoming FCM retreat.

Theme and Objectives

The theme of the upcoming retreat is "Biblical Courtship". In a time of mass communications and entertainment, we are easily buffeted by a myriad of movies, newspapers, magazines and other forms of media. These sources often purport various ideas about love, dating, relationships, marriages and sex. However, we as Christians should not allow such ideas to influence us. Rather, our only rule of faith and life ought to be the Scriptures (cf. Westminster Confession of Faith Chapter 1). But what does the Bible say on such a topic? In times of moral declension such as this, knowing how to handle courtship biblically becomes extremely urgent and important. Some may feel that it may be too early to consider such a topic. However, it is better to know earlier than to know later, when it might be too late and find ourselves falling into the pitfalls laid for us by the world. It is hoped

that through this retreat, participants will be more informed on how we ought to approach and handle such an issue.

We will be approaching this topic from a few major thrusts, namely:

- (1) What is love?
- (2) What is courtship?
- (3) What is the biblical purpose of entering into a courtship?

- (4) What are the qualities of a good life partner?
- (5) How do I know if it is God's will for me to be single?
- (6) When should I begin courtship?
- (7) How should I conduct myself during courtship?
- (8) How should I maintain and ensure that a relationship/ courtship will last?

Of course, these are but few of the questions that will be dealt with during the retreat. A frank and open approach will be adopted for this retreat. If any of you have any questions that you want the speaker to address, please feel free to e-mail me at jinwentai2@yahoo.com.sg. Alternatively, you can pass the questions to me via the various FCM coordinators.

It is the hoped that through this retreat, participants will be more confident, assured and aware of the Biblical principles underpinning this issue. More importantly, it is our prayer that the retreat will be a time of spiritual refreshment and sweet fellowship, just like its predecessor. Indeed, I hope that all of you will continue to strive in prayer with us for this retreat, so that it may be glorifying to God's name. May all the saints who attend the retreat be edified for Christ's sake.

In the meantime, let us continue to be a witness for Christ wherever we go, to be the salt and light of this world. Let us not lose the vision of God in our lives. Rather, let Him be the center of all things in our lives and maintain a close communion with Him each day. ☺ At this point, allow me to leave you with these few words:

*Remember I am the LORD,
I am the LORD your God,
Present yourselves a living sacrifice.
And in the days of my youth
I will always praise You,
I will remember You are my God.
In the twilight of my years,
In the springtime of my life,
In my laughter in my tears, You are my God.
You are the God of my days,
You are my Light, my Praise,
I will remember You are my God.*

“Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God. For consider him that endured such contradiction of sinners against himself, lest ye be wearied and faint in your minds.” ~ Hebrews 12:1-3.

Press on. The Grace of God be with all till we meet again.

In-Christ,
Clement
