Subject: **Request for transfer from Primary & Secondary Healthcare to Specialized Healthcare Department against a vacant post.**

Respected Sir,

It is stated that I have been working as dental surgeon on regular basis (BPS-17) at Govt. General Hospital, Samanabad, Faisalabad since April 2019 after my selection from PPSC. I have completed more than five years of my regular job in Primary & Secondary healthcare. It is pertinent to mention here that I have done my post-graduation (M.Phil Oral Pathology) in 2013 from University of Health Sciences, Lahore.

It is further submitted that a post of demonstrator/ Dental Surgeon has fallen vacant in Dental Section, PMC / Allied Hospital, Faisalabad due to promotion of Dr. Tahir Luqman (order attached).

It is therefore requested to kindly allow my transfer against this vacant post so that I may be able to utilize my post-graduation degree at a teaching institute and improve my cadre.

Thanking you in anticipation.

**Yours Sincerely,**  
**Dr. Asma Ishfaq**
