

"Never criticize anyone or yourself, unless they ask you to."

Cuz you said so? Wow, it may make you feel good to play God now, but it won't in the end.

And here is what God says about criticizing:

John 7:24

"Stop judging by mere appearances, and make a right judgment."

1 Corinthians 6:3

Do you not know that we will judge angels? How much more the things of this life!

1 Corinthians 6:1-3

If any of you has a dispute with another, dare he take it before the ungodly for judgment instead of before the saints? Do you not know that the saints will judge the world? And if you are to judge the world, are you not competent to judge trivial cases? Do you not know that we will judge angels? How much more the things of this life!

2 Corinthians 10:5

We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ.

Matthew 7:5

You hypocrite, first take the plank out of your own eye, and then you will see clearly to remove the speck from your brother's eye.

But are all Christians hypocrites? God said:

1 Corinthians 6:9-12

Do you not know that the wicked will not inherit the kingdom of God? Do not be deceived: Neither the sexually immoral nor idolaters nor adulterers nor male prostitutes nor homosexual offenders nor thieves nor the greedy nor drunkards nor slanderers nor swindlers will inherit the kingdom of God. And that is what some of you were. But you were washed, you were sanctified, you were justified in the name of the Lord Jesus Christ and by the Spirit of our God.

"Realize that every thing in your life is good."

What a contradiction you've made God hater, you just said:

"Never criticize anyone or yourself, unless they ask you to."

Hence, criticizing someone who did not ask is a good thing as well as receiving such criticism.

And so being molested, raped, discriminated against, robbed, oppressed, lied to, cheated on, abused, enslaved, all those things are good huh? Sick. It's because of pagan and atheist philosophies and religious nonsense like that that the world suffers such things.

"There is no sin,"

Wow, no one breaks God's laws? What an amazing trick! How did you pull off erasing the fact that people break God's laws every day and have since the beginning? Wow so God's laws don't exist or what?

"[There is] no mistakes,"

Wow, no one has ever made a mistake. Stupid.

"[There is] only learning."

Woah so you aren't teaching anyone anything and no one ever teaches? I wonder how you can learn if no one teaches you anything, so no one ever teaches them self? But you are right in a way, because God says this about your hateful opinionating type:

2 Timothy 3:6-8

They are the kind who worm their way into homes and gain control over weak-willed women, who are loaded down with sins and are swayed by all kinds of evil desires, ALWAYS LEARNING but never able to acknowledge the truth. 8Just as Jannes and Jambres opposed Moses, so also these men oppose the truth—men of depraved minds, who, as far as the faith is concerned, are rejected.

"Never judge anything as wrong."

And yet you've judged that Christians and the Bible are wrong who teach that the Bible is true. Yet you've judged that it is wrong to judge a person who hasn't asked to be judged. Yet you've judged that your way is right but nothing that opposes it. Another contradiction.

"We suffer the consequence of any judgment we make."

And that includes right judgments. And to be persecuted for Christ's sake is honorable.

"Establish an attitude of gratitude for every thing."

Are you grateful for God's word and what he's taught you? Are you thankful he's spared you so often despite your sins?

"Learn to stay in the present moment"

oh, so never recall former things you've learned and post them on yahoo answers like you have? Wow, never evaluate the past to see if you can improve especially on mistakes? You are a real spokesperson for Satan aren't you. And never plan ahead? Wow, no wonder you are in idiot.

Why would you only want to think about the "present"? Oh yeah, cuz you said so.

"in your mind."

Oh okay, yeah, I was wrong to spend it outside my mind, I like floating around as a spirit. What nonsense.

"Thinking about the past or the future will inevitably destroy any possibility of peace."

Course it will, cuz you said so. So lets all just sit here and think about the present. Hey check it out I'm just stuck in the present, not correcting my mistakes or planning ahead, just sitting in my chair like moron. Yeah, that solves everything. Oh and, is taht why you've recalled your former knowledge to repeatedly be able to do things including post your nonsense on yahoo and mislead others to Hell? Do as you say but not as you do huh? What a confused hypocrite.

"You can learn to do any or all of these things"

Uh, apparently not you because you keep on thinking about your past experience in order to do things in the present and plan ahead for the future. Or are you really magically learning everything outside of time so that there is no past or future in your universe? Weird logic you have. Please do tell me how it's possible not to recall former experience to do things in the present like type and talk and use computers. How do you pull that off?

And again you said,

"You can learn"

Yet according to you all you can do is learn. So what's your point if no one can KNOW or UNDERSTAND? Why bother posting?

"You can learn to do any or all of these things without changing anything you are currently doing."

Oh, and currently I am criticizing you. Do I need to stop that? Wow, what another stupid contradiction, according to you I don't have to change at all and yet I can learn to do everything you said above. Uh, yeah, that really makes sense. So I can keep on criticizing and yet don't have to change / stop criticizing in order to stop criticizing. Your teaching is sure a good example for showing everyone how stupid and contradictory atheists are.

And according to you, I don't have to learn anything you said, I can just stay the same and will magically conform to your idea of right. Nah, no contradiction there either.

"These are the things that have been most effective for me. I feel at peace about 95% of the time."

That 5% is what you need to be paying attention to, that's for sure. And that 5% is letting you know something is wrong. By the way, how'd you get the figure of 95%?

Here's what God says about that 5%:

Jude 1:13

They are wild waves of the sea, foaming up their shame; wandering stars, for whom blackest darkness has been reserved forever.

Romans 3:15-18

**"Their feet are swift to shed blood; ruin and misery mark their ways, and the way of peace they do not know."
'There is no fear of God before their eyes.'**

By the way, you spelled inevitably wrong. Might wanna find out what a dictionary is before giving **your** teachings which can never be understood, (I wonder why no one can understand them, hmmm).

Using your logic the first human would have just stood still till he died and there would be no more humans let alone a yahoo to blab your sinful mistaken lies..

I think I'll stick with being a Christian who judges right from wrong and tells people are wrong even if they don't want to hear it. And thank God many non-Christians have enough honor to tell people when they are wrong when they don't want to hear it too. I hope you have no kids to abuse.

But God bless you,
Kayden Raine.
