

美国华府地区筹备成立北美宁夏同乡会, 宁夏医学院校友会通报 (April 2004)

经美国华府地区宁夏同乡, 宁医校友倡议发起的北美宁夏同乡会, 宁夏医学院校友会经过数月筹备于2004年4月18号在美国马里兰州蒙哥马利郡宣告成立。

北美宁夏同乡会(North American Ningxia Association), 宁夏医学院校友会 (North American Alumni of Ningxia Medical College)

旨在加强生活在北美的同乡, 校友及亲属和关心宁夏的人士间的联谊, 丰富社区生活, 加强与家乡及母校间的信息交流, 为促进美加和宁夏友好关系的发展进我们的一份力量。

二会的筹建得到了生活在北美地区广大同乡, 校友及亲属的热烈响应和大力支持。大家在繁忙的工作之余, 在没有任何经费的条件下, 积极相互联络, 献计献策, 对此我们表示衷心的感谢。筹备期间完成了建立二会网站,

拟定章程, 推举产生了第一届理事会, 并完成申请加入了大华府地区同乡协会和大陆大专校友联合会。

我们的二会是一支年青的侨团, 要靠大家齐心协力办好, 发展, 壮大。介大会成立之即, 我们热烈欢迎更多的同乡, 校友及关心祖国西北发展, 建设的有志之士加入。敬请查访

二会将继续在华府地区组织开展各种活动, 也希望各地分会充分利用好网站, 加强联系并根据当地情况自行开展相应活动, 为大家的相互交流提供平台。此外我们亦心系宁夏及母校, 通过各种途经, 形式加强联系, 提供帮助及服务。

自既日起开始征集会徽设计稿, 请各位会员及有兴趣者踊跃投稿。

2004年5月15日我们将首次参与华府大陆大专校友联合会举办的春季野餐聚会, 请大家相互转告, 踊跃参加。

A delegation from Ningxia Medical College, composed of 7 members, Mr. Huang, Zhanhua, Ms. Wang, Yanrong, Mr. Song, Qiru, Ms. Wen, Ruiling, Ms. Wang, Huixin, Ms. Zhang, Lin and Mr. Teng, Jing, successfully visited 5 Canadian cities from May 15 to 26, 2004.

Coordinated by Mr. Wang, Fulin in Edmonton, Alberta (AB), the visit was mandated to gather information on the AB health care system, the AB public health system, the medical education system and to explore potential collaboration projects for between NX and AB.

Highlight of the visit around two-day in each city includes:

∫∞ Edmonton: chronic disease surveillance and research, funding of AB health system, GIS-based health information management and research, applied environmental health research, health information systems in AB, emergency preparedness, international cooperation and medical education at University of AB, presented by experts from AB Ministry of Health and University of AB (see photo);

∫∞ Calgary: a focused tour on laboratories at the University of Calgary;

∫∞ Ottawa: molecular pathways in malignant cell proliferation (see photo), genetic and morphological studies of spinal muscular atrophy, the organization and functions of Health Canada and tour of the Health Science Center, University of Ottawa, and unplanned and fairly long visit to the Emergency Department, Ottawa Hospital (Civic Campus).

100 Toronto: imaging laboratory and library at the Hospital for Sick Kids, the campus of University of Toronto and its medical school library and meeting with the respected Dr. Allison McGeer, Chair of Department of Infectious Diseases, Mount Sinai Hospital and touring her laboratory (see photo). The group had a great pleasure, finishing up their visit, to meet with Mr. Wang, Xinhua, Ms. Wang, Huimin (coordinator for their Toronto visit) and Ms. Gu, Xiaoping.
