Coaches,

Thank you for your interest in being a part of the expanded opportunity to compete and develop your talent and our sport this summer. Attached you will find the divisions, teams and schedule for the Illinois Water Polo High School Summer league along with a brief explanation sheet. This information and format is what we are going with this summer. If you have suggestions for modifying the format for the future we will have that meeting at the end of the season as we look to build a coach friendly experience to build programs across the state. Couple of important points to highlight:

1. Games are scheduled for Thursdays 6 warm-up 6:30 start Girls go first.
2. IWP is not responsible for reschedules. Those need to be worked out on a club to club level. Make any and all necessary modifications with mutual agreement between coaches and send the changes to robert.lindgren@d214.org

The attached sheet addresses many other topics. If you need further clarification or if contact, pool, or other pertinent information in the xls file needs modification please let me know ASAP. There are 3 tabs on the xls file. At the bottom of the document the "divisions" tabs has the schedule information. The Pool and Team tabs at the bottom has other contact info.

Let me know if I can be of assistance as we make our way through this process. It looks to be a great summer. If you can host an end of the season trny July 17,18,19 please let us know. Elk Grove and Fenwick will again be sites but 2-3 more sites are needed.

I'm Ready!!
