Re: League T - Shirts Order
Date: June 1, 2005

Hello Coaches,

Please print out this letter and form(s) to ensure that your players order a league t-shirt. The t-shirt sales fund the tournament and can cover all of your tournament fees. They are \$12.

Please talk up the news that all team names will be on the back of the t-shirt and they will be a bright color.

Have one parent per team (11U, Girls 14U and Boys 14U) or a parent you know will be at all age group matches to make sure every player/parent has the opportunity to order a t-shirt.

Important Dates

6/15 Email mhowe5@wideopenwest.com preliminary number of shirts

6/29 Email mhowe5@wideopenwest.com final number and sizes.

We will invoice you for the number of shirts you order and you can pay when they are received.

Important: Keep the order sheet for your team. All we need to know is the number of each size. You can have the checks made payable to your team and have one check payable to NSSWPL or you can have all checks payable to NSSWPL.
