Happy New Year!

2009

Happy New Year, 2009!
 Fast approaching is a year full of new adventures for our families. This year has been full of wonders and amazing happening here in Nassau County and across the vast miles on our Earth.
 The Olympics' was an amazing feat in human strength and endurance marking the path for future contenders. We have seen our children grow in our small circle

to young adults and some just taking there first steps on our planet.
 I wish you all a marvelous start to the New Year ahead. Let the World be our inspiration to grow more in tune with Mother Nature.
