3. SEO Strategy

On-Page

- Use keywords naturally in **title, headings, content, and image ALT tags.**

- Add **FAQ section** with schema markup (ex: “What is the cost of social media management packages?”).
- Internal link from other service pages.

Off-Page

- Build backlinks via **guest posts, business directories, local listings (Google My Business, JustDial, Sulekha, etc.)**.
- Share blogs on Medium/LinkedIn with backlinks to this page.

Technical SEO

- Mobile-friendly design.
- Fast-loading images.
- Add schema markup for **Service + Local Business**
